Note: there are 114 LGAs that have fewer than 10 participants, and these are excluded from the results.

When less than 10 participants respond to the relevant outcomes survey, they are excluded from results. As a result, the National and State/Territory figures may not equal the sum of all LGAs.

Support category summary (National)

Support category	Active participants with approved plans	Registered active providers	Participants per provider	Total plan budgets (\$m)	Average plan budget (\$)	Total payments (\$m)	Average payments (\$)	Utilisation	Outcomes indicator on choice and control	Has NDIS helped with choice and control?

Indicator definitions

Active participants with approved plans	Number of active participants who have an approved plan and reside in the region / have supports relating to the support category in their plan
Registered active providers	Number of registered service providers that have provided a support to a participant within the region / support category, over the exposure period
Participants per provider	Ratio between the number of active participants and the number of registered service providers
Total plan budgets	Value of supports committed in participant plans for the exposure period
Payments	Value of all payments over the exposure period, including payments to providers, payments to participants, and off-system payments (in-kind and Younger People In Residential Aged Care (YPIRAC))
Utilisation	Ratio between payments and total plan budgets
Outcomes indicator on choice and control	Proportion of participants who reported in their most recent outcomes survey that they choose who supports them
Has NDIS helped with choice and control?	Proportion of participants who reported in their most recent outcomes survey that the NDIS has helped with choice and control
