Indicator definitions

- Active participants with approved plans** Number of active participants who have an approved plan and reside in the LGA / have supports relating to the support category in their plan.
- Active providers** Number of providers that received payments for supports provided to participants within the LGA / support category, over the exposure period.
- Participants per provider** Ratio between the number of active participants and the number of active providers.
- Total plan budgets** Value of supports committed in participant plans for the exposure period.
- Payments** Value of all payments over the exposure period, including payments to providers, payments to participants and off-system payments (in-kind and Younger People In Residential Aged Care (YPIRAC)).
- Utilisation** Ratio between payments and total plan budgets.
- Outcomes indicator on choice and control** Proportion of participants who reported in their most recent outcomes survey that they choose who supports them.
- Has the NDIS helped with choice and control?** Proportion of participants who reported in their most recent outcomes survey that the NDIS has helped with choice and control.
