

## Participant and families/carers outcomes at Scheme entry and changes of outcomes between Scheme entry to subsequent yearly reviews, as at 30 June 2021

## Service district: Katherine

## Outcomes indicators:

Percentage (%) shown for each outcome indicator represents the proportion of participants whose response satisfies the outcome indicator description.

At Scheme entry: includes participants who entered the Scheme after the 30th of June 2016 and have received their first plan and are still in the Scheme as at 30 June 2021. Percentages are not shown where there are less than 20 participants.

Scheme entry to first review: includes participants who have been in the Scheme for one year as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to second review: include participants who have been in the Scheme for two years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to third review: include participants who have been in the Scheme for three years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Participant's Local Government Area at Scheme entry is based on participant's address closest to the effective date of the baseline plan. Participant's Local Government Area at subsequent review is based on participant's address closest to the effective date of the review plan.

## Participants from birth to starting school

Participant life domain	Outcomes indicator description	At Scheme entry (%)	Scheme entry to first year review (% change)	Scheme entry to second year review (% change)	Scheme entry to third year review (% change)	Scheme entry to fourth year review (% change)
Living arrangement	% of children who live with parents	86%				
Housing arrangement	% of children who live in a private home owned or rented from private landlord	52%				
Domain 1: Daily living	% of parents/carers with concerns in 6 or more areas	57%				
Domain 1: Daily living	% of children who use specialist services	43%				
Domain 1: Daily living	% of parents/carers who say that specialist services help their child gain skills she/he needs to participate in everyday life					
Domain 1: Daily living	% of parents/carers who say that specialist services support them in assisting their child					
Domain 2: Choice and control	% of parents/carers who say their child is able to tell them what he/she wants	48%				
Domain 3: Relationships	% of children who get along with his/her brother(s)/sister(s)					
Domain 3: Relationships	% of children who can make friends with people outside the family	48%				
Domain 3: Relationships	% of parents/carers who say their child joins them when they complete tasks at home	67%				
Domain 3: Relationships	% of parents/carers who say their child joins them when they complete tasks outside the home	90%				
Domain 3: Relationships	% of parents/carers who say their child fits in with the everyday life of the family	62%				
Domain 4: Social, community and civic participation	% children who have friends that he/she enjoys playing with	38%				
Domain 4: Social, community and civic participation	Of those who have friends, these friends are at preschool or playground					
Domain 4: Social, community and civic participation	% of children who participate in age appropriate community, cultural or religious activities	60%				
Domain 4: Social, community and civic participation	Of those who participate, % who feel welcomed or actively included					
Domain 4: Social, community and civic participation	% of parents/carers who would like their child to be more involved in community activities	86%				
Domain 4: Social, community and civic participation	% of parents/carers who say their child's disability is one of the barriers to being involved in community activities					
Participant life domain	Has the NDIS helped?		At first year review (%)	At second year review (%)	At third year review (%)	At fourth year review (%)
Domain 1: Daily living	% of parents/carers who say the NDIS has improved their child's development					
Domain 1: Daily living	% of parents/carers who say the NDIS has improved their child's access to specialist services					
Domain 2: Choice and control	% of parents/carers who say the NDIS has improved their child's ability to communicate what they want					
Domain 3: Relationships	% of parents/carers who say the NDIS has improved how their child fits into family life					
Domain 4: Social, community and civic participation	% of parents/carers who say the NDIS has improved how their child fits into community life					

## Participants from starting school to age 14

Participant life domain	Outcomes indicator description	At Scheme entry (%)	Scheme entry to first year review (% change)	Scheme entry to second year review (% change)	Scheme entry to third year review (% change)	Scheme entry to fourth year review (% change)
