Participant and families/carers outcomes at Scheme entry and changes of outcomes between Scheme entry to subsequent yearly reviews, as at 30 June 2021

Service district: Cairns

Outcomes indicators: Jutcomes indicators:
Percentage (%) shown for each outcome indicator represents the proportion of participants whose response satsifies the outcome indicator description.

At Scheme entry: includes participants who entered the Scheme after the 30th of June 2016 and have received their first plan and are still in the Scheme as at 30 June 2021. Percentages are not shown where there are less than 20 participants.

Cheme entry to first review: includes participants who have been in the Scheme for one year as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Cheme entry to second review: include participants who have been in the Scheme for two years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Cheme entry to third review: include participants who have been in the Scheme for three years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants. Participant's Local Government Area at Scheme entry is based on participant's address closest to the effective date of the baseline plan. Participant's Local Government Area at subsequent review is based on participant's address closest to the effective date of the review plan Participants from birth to starting school Participant life domain **Outcomes indicator description** entry (%) iving arrangement Housing arrangement % of children who live in a private home owned or rented from private landlord 87% 1% 0% 6% 19% 11% 33% Domain 1: Daily living % of parents/carers with concerns in 6 or more areas 70% Domain 1: Daily living % of children who use specialist services **55%** Domain 1: Daily living % of parents/carers who say that specialist services help their child gain skills she/he needs to participate in everyday life 88% 4% % of parents/carers who say that specialist services support them in assisting their child omain 1: Daily living Domain 2: Choice and control % of parents/carers who say their child is able to tell them what he/she wants 71% 8% **22%** -1% 3% 2% 3% 3% % of children who get along with his/her brother(s)/sister(s)

Participant and families/carers outcomes at Scheme entry and changes of outcomes between Scheme entry to subsequent yearly reviews, as at 30 June 2021

Service district: Cairns

Outcomes indicators:

Percentage (%) shown for each outcome indicator represents the proportion of participants whose response satsifies the outcome indicator description.

At Scheme entry: includes participants who entered the Scheme after the 30th of June 2016 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to dirst review: includes participants who have been in the Scheme for one year as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to second review: include participants who have been in the Scheme for two years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Scheme entry to third review: include participants who have been in the Scheme for three years as at 30 June 2021 and have responded to the same age group specific survey from Scheme entry. Percentages are not shown where there are less than 20 participants.

Participant's Local Government Area at Scheme entry is based on participant's address closest to the effective date of the baseline plan. Participant's Local Government Area at subsequent review is based on participant's address closest to the effective date of the review plan.
