*Note: Only the major support categories are shown.*

*Note: The Capacity Building total includes Health and Wellbeing, Home Living and Lifelong Learning although these support categories are not shown.*

*Note: A utilisation rate may be above 100% for the six month exposure period considered, due to the uneven distribution of payments over the duration of a plan.*

*In addition, the utilisation rate for core supports may be above 100% due to fungibility which refers to the ability of participants to use their funding flexibly between different support types, albeit within certain limitation.*

Indicator definitions	
Active participants with approved plans	Number of active participants who have an approved plan and reside in the LGA / have supports relating to the support category in their plan.
Active providers	Number of providers that received payments for supports provided to participants within the LGA / support category, over the exposure period.
Participants per provider	Ratio between the number of active participants and the number of active providers.
