Please note that the data presented are based on only six months of data and not a full year.

Service provider indicators

Plan utilisation

Note: A utilisation rate may be above 100% for the six month exposure period considered, due to the uneven distribution of payments over the duration of a plan.

Note: Only the major support categories are shown.  
 Note: The Capacity Building total includes Health and Wellbeing, Home Living and Lifelong Learning although these support categories are not shown.  
 Note: A utilisation rate may be above 100% for the six month exposure period considered, due to the uneven distribution of payments over the duration of a plan.  
 In addition, the utilisation rate for core supports may be above 100% due to lumpability which refers to the ability of participants to use their funding flexibly between different support types, albeit within certain limitation.

Indicator definitions

<b>Active participants with approved plans</b>	Number of active participants who have an approved plan and reside in the LGA / have supports relating to the support category in their plan.
<b>Active providers</b>	Number of providers that received payments for supports provided to participants within the LGA / support category, over the exposure period.
<b>Participants per provider</b>	Ratio between the number of active participants and the number of active providers.
<b>Total plan budgets</b>	Value of supports committed in participant plans for the exposure period.
<b>Payments</b>	Value of all payments over the exposure period, including payments to providers, payments to participants and off-system payments (in-kind and Younger People In Residential Aged Care (YPIRAC)).
<b>Utilisation</b>	Ratio between payments and total plan budgets.
