Note: The Capacity Building total includes Health and Wellbeing, Home Living and Lifelong Learning although these support categories are not shown.

Note: A utilisation rate may be above 100% for the six month exposure period considered, due to the uneven distribution of payments over the duration of a plan.

In addition, the utilisation rate for core supports may be above 100% due to fungibility which refers to the ability of participants to use their funding flexibly between different support types, albeit within certain limitation.
