\$62,600

for the 12 months ending November 2023.

4 % Increase

When comparing the **same** group of participants between this and last year¹.

The average annualised payment per participant was

\$66,800

for the 12 months ending November 2024.

The average annualised payment per participant was

\$62,600

for the 12 months ending November 2023.

7 % Increase

Note: The average payment per participant includes cash payments and in-kind payments. Total supports include cash payments, in-kind payments and an allowance for supports provided not yet paid. Information is based on monthly management accounts.

¹ The average annualised payment for the same group of participants is compared across two different time periods (12 months ending November 2024 vs November 2023). Those who had an initial plan approved after 30 November 2023 are not included in this calculation.
