5% Increase

When comparing the **same** group of participants between this and last year¹.

The average annualised payment per participant was

\$67,800

for the 12 months ending January 2025.

The average annualised payment per participant was

\$63,000

for the 12 months ending January 2024.

8% Increase

Note: The average payment per participant includes cash payments and in-kind payments. Total supports include cash payments, in-kind payments and an allowance for supports provided not yet paid. Information is based on monthly management accounts.

¹ The average annualised payment for the same group of participants is compared across two different time periods (12 months ending January 2025 vs January 2024). Those who had an initial plan approved after 31 January 2025 are not included in this calculation.
