1% Increase

When comparing the same group of participants between this and last year².

The average annualised
payment² per
participant was

\$68,500

for the 12 months ending
August 2025.

The average annualised
payment per
participant was

\$65,000

for the 12 months ending
August 2024.

5% Increase

Note: The average payment per participant includes cash payments and in-kind payments. Total supports include cash payments, in-kind payments and an allowance for supports provided not yet paid. Information is based on monthly management accounts.

¹Note that August 2025 has one less working day compared to August 2024. The growth in paid supports from August 2024 to August 2025 should be viewed in this context.

²The average annualised payment for the same group of participants is compared across two different time periods (12 months ending August 2025 vs August 2024). Those who had an initial plan approved after 31 August 2024 are not included in this calculation.
