participants in the Scheme.

10% Increase

The average annualised
payment per
participant was

\$65,800

for the 12 months
ending September 2025.

The average annualised
payment per
participant was

\$65,200

for the 12 months
ending September 2024.

1% Increase

When comparing the same group of participants between this and last year².

The average annualised
payment² per
participant was

\$68,900

for the 12 months ending
September 2025.

The average annualised
payment per
participant was

\$65,200

for the 12 months ending
September 2024.

6% Increase

Note: The average payment per participant includes cash payments and in-kind payments. Total supports include cash payments, in-kind payments and an allowance for supports provided not yet paid. Information is based on monthly management accounts.

¹Note that September 2025 has one more working day compared to September 2024. The growth in paid supports from September 2024 to September 2025 should be viewed in this context.

²The average annualised payment for the same group of participants is compared across two different time periods (12 months ending September 2025 vs September 2024). Those who had an initial plan approved after 30 September 2024 are not included in this calculation.
