Average payments data downloads

The NDIA is committed to releasing downloadable data that improves the understanding of the NDIS.

A review is being undertaken on the format of the payments datasets, and it is anticipated that releasing payments datasets will recommence in early 2025-26.

This dataset provides average payments per participant by different variable combinations.

The accompanying data rules for this dataset explains information about the data that may be helpful.

Data current as at: 31 December 2024

Please note that historical data is available on request.

- Average payments December 2024 (CSV 3.2MB)
- Average payments September 2024 (CSV 3.2MB)
- Average payments June 2024 (CSV 3.2MB)
- Average payments March 2024 (CSV 3.2MB)
- Average payments December 2023 (CSV 3.2MB)
- Average payments September 2023 (CSV 3.2MB)
- Average payments June 2023 (CSV 3.2MB)
- Average payments data rules (DOCX 89KB)

Average support category payments data downloads

This dataset provides average payments per participant per support category by different variable combinations.

The accompanying data rules for this dataset explains information about the data that may be helpful.

Data current as at: 31 December 2024

Please note that historical data is available on request.

- Average support category payments December 2024 (CSV 1.1MB)
- Average support category payments September 2024 (CSV 1.1MB)
- Average support category payments June 2024 (CSV 1.1MB)
- Average support category payments March 2024 (CSV 1.1MB)

- Average support category payments December 2023 (CSV 1.1MB)
- Average support category payments September 2023 (CSV 1.1MB)
- Average support category payments June 2023 (CSV 1.1MB)
- Average support category payments data rules (DOCX 88KB)

Average support line item payments data downloads

This dataset provides information on the average payments made to participants by support line items in NDIS plans.

The accompanying data rules for this dataset explains information about the data that may be helpful.

Data current as at: 30 June 2024

Please note that September 2023 and December 2023 datasets were replaced on 13/3/24 to adjust some reporting categories. The changes are outlined in the data rules.

Please note that historical data is available on request.

- Average support Line item Payments June 2024 Zipped (CVS 9.4MB)
- Average support Line item Payments March 2024 Zipped (CVS 9MB)
- Average support Line item Payments December 2023 Zipped (CVS 12.6MB)
- Average support Line item Payments September 2023 Zipped (CVS 12.4MB)
- Average support Line item Payments June 2023 Zipped (CVS 9.1MB)
- Average support Line item Payments March 2023 Zipped (CVS 9.2MB)
- Average support Line item Payments December 2022 - zipped (CVS 3.18MB)
- Average support Line item Payments data rules (DOCX 91KB)

Commonly used data terms

The definitions listed in the commonly used data terms (DOCX 80KB) document provide answers to commonly asked questions regarding data released on the NDIS website.

Disclaimer

The information on these pages is subject to a Data disclaimer.

The privacy of participants is of paramount importance. The NDIA has applied de-identification methods so the publicly shared data does not identify individuals. The NDIS applies these techniques while keeping the data fit for the purpose of trend analysis and general decision guidance. For academic research, please use the data request process. For more information about how NDIS makes decisions about sharing data, please refer to the Public Data Sharing Policy .

For more information relating to the data, please email scheme.actuary@ndis.gov.au.
