Active providers' data

The dataset provides the count of active providers by State/Territory, support class they provide, disability type and age of participants. It enables you to better understand the availability of providers across Australia for disabilities and age group.

The accompanying data rules for this dataset explains information about the data that may be helpful.

Data current as at: 30 June 2026

Please note that historical data is available on request.

- Active providers data as at 30 June 2026 (CSV 3.9MB)
- Active providers data as at 31 March 2026 (CSV 3.8MB)
- Active providers data as at 31 December 2025 (CSV 4MB)
- Active providers data as at 30 September 2025 (CSV 4.1MB)
- Active providers data as at 30 June 2025 (CSV 4.11MB)
- Active providers data as at 31 March 2025 (CSV 4.2MB)
- Active providers data as at 31 December 2024 (CSV 4.2 MB)
- Active providers data as at 30 September 2024 (CSV 4.2 MB)
- Active providers data rules (DOCX 96KB)

Provider datasets

The dataset provides percentage of payments to the top 10 largest providers in terms of payments made by the NDIS for the supports received.

Data current as at: 30 June 2026

- Market Concentration data (CSV 767KB)
- Market Concentration data rules (DOCX 91KB)

You can now also find, download and compare more quarterly data through the interactive explore data tool.

Commonly used data terms

The definitions listed in the commonly used data terms (DOCX 80KB) document provide answers to commonly asked questions regarding data released on the NDIS website.

Disclaimer

The information on these pages is subject to a Data disclaimer.

The privacy of participants is of paramount importance. The NDIA has applied de-identification methods so the publicly shared data does not identify individuals. The NDIS applies these techniques while keeping the data fit for the purpose of trend analysis and general decision guidance. For academic research, please use the data request process. For more information about how NDIS makes decisions about sharing data, please refer to the Public Data Sharing Policy .

For more information relating to the data, please email scheme.actuary@ndis.gov.au.
